

William Potter

Physical Education Teacher
Serendipity School
Belmont, CA

William Potter is a Bay Area native and currently teaches physical education at Serendipity School in Belmont, California. William has been teaching Physical Education since 2002 and has been an OPEN National Trainer since 2018. In 2013 William served as the Director of the Elementary Physical Education workshop. In 2019 William was honored as the CAHPERD Elementary Teacher of the Year, and was also recognized as the SHAPE America National Elementary Teacher of the Year in 2020. As a leader, William is serving as a member of the SHAPE America Board of Directors, and is a Past President of CAHPERD (2021 2022). William believes passionately in engaging students and their families in movement-rich, inclusive Physical Education that empowers every child to move confidently, learn dynamically, and embrace a lifelong love of activity.
